**Re: North Ave Water Service / Paving Project**

Dear Residents,

The Village of Penn Yan has gone out to bid to switch water services on North Avenue from the existing 6-inch main to the newer 10-inch and 12-inch mains between Liberty Street and Hamilton Street. This work is part of the Village's ongoing efforts to proactively replace aging infrastructure and improve system reliability. Following completion of the water service work, North Avenue will be paved from Liberty Street to Clinton Street.

Construction is anticipated to begin later this month, April 2026. The contractor, Rochester Pipeline, will notify each affected property in advance regarding scheduling and any temporary interruptions to water service. As work progresses, temporary road closures to local traffic are expected on a block-by-block basis.

Project updates will be posted on the Village of Penn Yan Department of Public Works Facebook page and on the Village website. If you have any questions, please contact the Department of Public Works at 315-536-5866.

Thank you for your patience and cooperation during this important infrastructure project.

Sincerely,

*Melissa Gerhardt*
